"Late to Work"

THE BUS WAS LATE SO I HAD TO
WALK TO WORK... SUDDENLY
I WAS HIT BY A CAR !!

I WAS LATE
of course,
so the
Boss
Docked
my pay...

Before I EVEN
got to my
office I slip-
ped on my
secretary's
DANISH and
FELL out
the TENTH
STORY
WINDOW...

but I was
EVEN
LATER
to work
so...

FINALLY Made it to
my office....

BUT
found A Mini Black-
hole in my Desk drawer.

I was transported
to A DIMENSION
where everything
was peace, goodness
and LIGHT.

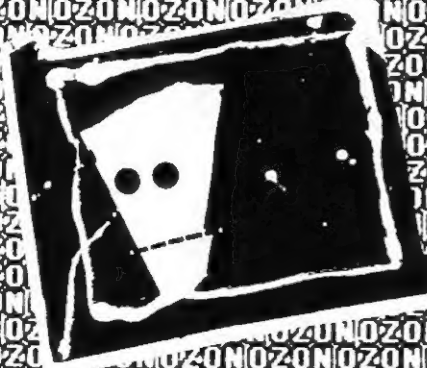

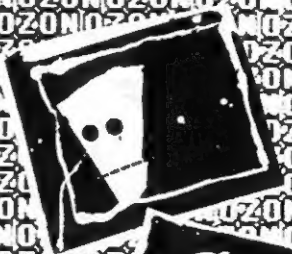

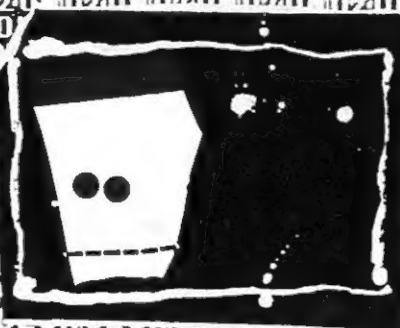

...it was beautiful...
